APPROVAL OF MINUTES: Minutes from October 19, 2016 were approved with one change.

Voting on Proposed Additions: (General Education curriculum LR111 and LR280)

- LR111 was discussed and the Council members felt that the course was more appropriate as a freshman seminar style but it would not be a good fit for the Gen Ed Curriculum. It was motion to *not approved* to add LR111 to be considered a Gen Ed course.
- LR280 was discussed and the Council felt this course would be a good addition to the Gen Ed curriculum. General Education Council voted to include LR280 in the Gen Ed curriculum, which will be placed it in the 2017-2018 catalog. It was motion and *approved* to add LR280 to be considered a Gen Ed course.

General Education Goals: Lovett suggested a subcommittee to help with editing the wording on the goals. Hamilton, Webb and Brewer volunteered their time to work on the goals. The subcommittee will bring new editing at the next Gen Ed Council meeting.

Change in Requirements for Secondary Education Technology Course: is stricken off the agenda. Brewer said she would like to make some adjustments and will present it to the council after some changes are made to it. Lovett requested to have Costello proposed course be on the agenda for November 17, 2016 meeting.

Meeting adjourned at: 4:00 PM
